5 Procedure

The weekly group courses only take place with at least 4 participants. If a group course is under-subscribed, ESKIMOS will run the course as following: with 1 participant the course will take place, for the same group course price, as a private lesson on Monday morning or afternoon for 3½hrs. With 2 participants the duration of the course will be a total of 6h (Mo, Tue 2½h and Wed 1h), as with 3 participants the duration of the course will be a total of 9h (Mo / Tue / Wed 2½h and Tue 1½h). The lesson days and hours will be determined by the school management. ESKIMOS still reserves the right to, depending on the situation, reduce the course duration, cancel the course or run the full course at a surcharge.

If the lifts and slopes are closed for the whole day or need to be opened late for any reason the following terms apply:
ESKIMOS informs all guests at 9:30 at the ESKIMOS meeting point Village or via our Hotline +41 27 957 49 04. The guests inform themselves at one of the above mentioned information points.

If the lifts and slopes are closed for the whole day, all lessons will be cancelled out of safety reasons and no refunds are given. Private lessons can only be postponed if there is capacity.

If all lifts and slopes are closed for more than 2 days all guests receive a voucher of fee of the outstanding services (course time) from the 2nd closed day. The voucher can be transferred within the family and is valid for 1 year. No cash refund will be made.

If the Saas-Fee cableways open the lifts later than the course start, all group lessons will start at the time of the first lift and end at the normal confirmed ending time. ESKIMOS will not make up for the lost time and no refunds are given. The same applies for private lessons, if they cannot be postponed due to no capacity. As soon as one lift is open, all lessons (private or group lessons of all levels) start as previously confirmed by ESKIMOS.

6 Course participation and group changes

Booked group courses cannot be transferred to another person. However, private lessons can be transferred on individual agreement. All group changes have to be confirmed by the supervisor. It can happen due to low season or no bookings in certain levels, that changes are not possible.

7 Late arrival of the student

In the event that the student arrives later than the booked time of the lesson, also due to illness, allegedly bad weather or partly closed lifts or slopes, there will be no refund given and the instructor will not make up for the lost time. Our instructors do not wait longer than 30 minutes at the agreed meeting point after the starting time of the course.

8 Refunds

Refunds due to accidents and sickness are made after the second day in form of a voucher. A voucher of 80% of fee of the outstanding services (course time) will only be issued with a local doctor's certificate. If a course is unable to proceed due to 'Act of God' such as storm, avalanche danger etc there are no refunds. (see 5 Procedures)

9 Insurance

The participant is responsible for his/her own insurance. We will not be held responsible for accidents occurred during the lesson on or off the slopes, in the freestyle park, at the ski race or at any other ESKIMOS events.
